

Jason Lucas

Singer/songwriter Jason Lucas takes you on a journey from the 1970's to today, covering artists like Tom Petty, Bill Withers, Stevie Wonder, Journey, Bryan Adams, CeeLo Green, Harry Styles, Maroon 5, Keith Urban, Rascal Flatts, Chris Stapleton and the Eagles. Playing both piano and acoustic guitar, his smooth, tenor voice is sure to set the tone for an enjoyable evening and a musical trip down memory lane.

Jason was born in New York City and grew up watching both his parents work as professional studio musicians. He has opened for Rod Stewart, performed at New York's "Bitter End" and the "China Club" and many established venues across the country including L.A., Nashville, Dallas and Miami. He has performed on over 80 jingles and is represented by the Elite Artist Management of NYC, "VAM Nation."

Jason just closed out a 250-show residency at the prestigious Morada Bay Beach Resort in Islamorada, Florida and is moving back to the Spokane/Coeur D'Alene area to work in the studio on his next original record and share some live performances with his friends in the great Northwest.
